HOLISTIC HEALTH IN THE 21ST CENTURY

“Navigating Crossroads: Holistic Health in the 21st Century”

The 21st century stands at a defining crossroads for global health. Rapid technological advancement including the advent of artificial intelligence, shifting disease patterns, environmental challenges, and evolving social structures have transformed how we understand health and well-being. At this intersection of progress and uncertainty, the need for a holistic approach to individual, community and environmental health has never been more urgent.

Join us at TEDxAllMSBhubaneswar on 18th January, 2026, for a transformative experience as we ignite meaningful conversations about the changing climate of global health in the present day and age. With a carefully curated roster of speakers from diverse disciplines, the event will foster thought-provoking discussions that bring together a rich spectrum of perspectives on the theme.

Register now to be a part of the TEDxAllMSBhubaneswar experience and join a global community of thinkers, dreamers and changemakers!

TEDxAIIMSBhubaneswar: “*The Odyssey of the Future*”

The January 19, 2025 edition of TEDxAIIMSBhubaneswar explored uncharted territories of innovation, creativity and human potential, delving into groundbreaking technologies and transformative ideas.

In keeping with the theme, the programme featured a lineup of eminent speakers representing a spectrum of fields including healthcare, technology, entrepreneurship, social impact, creative arts and experiential innovation. Through curated talks and personal stories, each speaker explored unique perspectives on what the future holds and how individuals can contribute meaningfully to shaping it.

About TEDx

NAVIGATING
CROSSROADS
HOLISTIC HEALTH IN THE 21ST CENTURY

A TEDx event is a local gathering where live talks and performances are shared with the community. The content and design of each TEDx event is unique and caters to the specific interests and needs of the community, all in resonance with the ethos of TED's mission - *Ideas worth Spreading*.

TED's Format

A suite of short, carefully prepared talks, demonstrations and performances that are idea-focused and cover a wide range of subjects to foster learning, inspiration and wonder, provoking conversations that matter.

Diversity of Topics

All TEDx events present multiple issues and a diversity of voices from many disciplines, under the umbrella of a single broad theme.

Community-Driven and Bias-Free

A TEDx event is organised by volunteers from the local community, and lacks any commercial, religious or political agenda. Its goal is to spark conversation, connection and community participation.
